

TITLE: WASTE MANAGEMENT (2017-18)

GOAL

- The most important reason for waste collection is the protection of the environment and health of the students.
- To implement proper waste management, successful and safe disposal of solid and liquid waste in the college premises.

CONTEXT

- Faculty, students, and staff are expected to cooperate in this programme by separating recyclable items from trash and sorting these materials into their respective (degradable and non-degradable) recycling bins.

THE PRACTICES

- Recyclable plastic items, aluminium cans, paper etc. were disposed off in separate bins.
- Staff was encouraged to bring their own coffee mugs to avoid use of disposable cups or glasses in college.
- An initiative was taken to minimize paper consumption; most of the documentation was filed electronically.
Double side printing was promoted to reduce paper usage.
- Every event was encouraged by plantation ceremony in order to promote greenery and protect our precious environment.
- Damaged furniture was repaired and put to use.
- Bio degradable and non-biodegradable waste pits were dug and maintained on the college ground.
- An initiative was taken by plotting a 1000 liters capacity of tank for storing papers discarded by teachers, students and other college staff, so that it could be recycled and used further.

EVIDENCE OF SUCCESS

The college emerged as a No Plastic Zone. The whole campus is neat and clean, and vibrant with greenery. A number of recycle bins are placed at several places.

PROBLEM ENCOUNTERED

- The college being a small campus in area, maintaining waste disposal pit was a challenge owing to the odour emerging out of it.
- It took much effort to convince college students, staffs to use recycle bins for waste disposal as well as promote a habit of e-working in college so as to minimize the use of paper.

TITLE: - College uniform (2017-18)

Goal:-

- To enhance the sense of uniformity and equality among the students.
- To promote community identity rather than individuality.
- To reduce bullying based on the individual attire of students .

Context:-

- Uniform plays a big role in maintaining equality of status among all students irrespective of the economic, political, social, cultural and racial background.
- Dress code reduces distraction, allowing students to focus more on their goal in student life.
- It is a step towards self confidence and also to improve the current learning atmosphere.

Practice:-

- Students' orientation was held for individual classes. The context delivery was done by different teachers.
- Parents were consulted on the same.
- Parents' point of view was taken into consideration through filling out feedback forms and meetings with them.
- Students too filled feedback forms and expressed their opinion regarding this step.

Evidence of success:-

- Every student is wearing uniform inside the college campus.
- The college witnesses a disciplined atmosphere.

Problems encountered

- To convince students as well as parents.
- To fix the colour code that may be agreeable to all.
