Behavioral approach

Nothing

Kuchh new program

1. Need of more faculty members, lab assistant and lab barrer in the department. 2. need of research and development services 3. Need of Strong psychological counseling for students.

Library can be enriched with more reference books along with the subscription of NLIST. Banquet hall adjacent to the college building leads to noise pollution to an extent of disturbing classes and exams, efforts must taken for the relocating of the same away from college.

Clean and hygienic toilets should be made, especially for the female staff. The condition of the present toilets is very atrocious.

Need to open M.Sc. in mathematics

Increase the amount of Books of each facility

Better staff members

To increase the new conferences among the various Departments

Behavioral approach should be

Not only structural approach
